DAYTIME

Give Your Skin a Wake-up Call

The world is composed of forces trying to destroy your skin: sun, dirt, wind, epic bachelor parties in New Orleans. Protect your largest organ with the most effective skin-care products in existence! It'll be like a cup of coffee for your face.

KEEP IT CLEAN

1 Anthony Exfoliating & Cleansing Bar

The answer to the question "What if a bar of soap had tiny, exfoliating jojoba spheres embedded in it?" \$17

2 Paula's Choice Redness Relief Cleanser

Sweet, clean relief for anyone fighting redness day after day. \$18

3 Dove Men+Care Clean Comfort Dry Spray

Goes on cool and dry; this is the best antiperspirant around. \$5.49

HIDE THE HANGOVER

4 Korres Black Pine Firming, Lifting & Antiwrinkle Serum

Your face needs collagen—which is naturally occurring—to keep its composure. This serum helps boost production. \$74

5 Kiehl's Age Defender Eye Repair

Instantly tightens skin around the eyes. Perfect for returning to work after a red-eye (or a rave). \$30

6 Lab Series Matte Renewal Lotion

Need to moisturize but don't want that Charlie Sheen sheen? This one goes on shine-free. \$63

FIGHT THE SUN

7 Ursa Major Daily Defense Lotion

The SPF 18 blocks the sun without adding grease or making you smell like a toddler at the beach. \$54

8 V76 Lip Balm

Keep your lips happy in the winter—or the sun-cracked summer—without the gloss. \$9

PREVENTIVE CARE, BRO

"Protect your skin with sunscreen. Otherwise you're wasting your time with cosmetics. You can't heal a bruise if someone keeps punching you in the arm."

—Dr. Paul Jarrod Frank

Remember: Don't use glycolic acid and retinol products at the same time.

NIGHTTIME Check Your Face into Rehab

Every night, your skin does its best to recover from whatever havoc the day has wreaked. You should do everything you can to help. These are the best balms and salves for cleaning out the gunk and repairing the good stuff.

RECOVER FROM THE CHAOS

- 1 m-61 Power Cleanse**
This is a car wash for your face. Use with caution. \$34
- 2 Recipe for Men Super Smooth Body Cream**
Full of natural oils, this goes on silky and matte instead of goopy. \$24
- 3 Kiehl's Breakout Control Targeted Acne Spot Treatment**
Putting sulfur on your face sounds horrifying—but it's actually the best for controlling breakouts. \$28

SLOW TIME DOWN

- 4 Baxter of California Night Cream AHA**
Add a dab before bed and let little elves work while you sleep. \$26
- 5 Dr. Dennis Gross Ferulic + Retinol Wrinkle Recovery Peel**
Rake off your old face and then fertilize a new one. \$88
- 6 SkinCeuticals Triple Lipid Restore**
Refresh the lipids responsible for keeping your skin healthy and taut. \$125

PROTECT YOUR PAWS

- 7 Fig + Yarrow Alpine Pumice**
Troll feet? Instead of a stone, fight back with this gritty, piney treatment. Just hop in the shower and apply vigorously. \$28
- 8 Good Shake Hand Cream by Dollar Shave Club**
The driest finish of any hand cream: You're set to shake, or caress, seconds after applying. \$6

TRY GLYCOLIC ACID TO GET THE DEEPEST CLEAN

"Glycolic acid is an exfoliating fruit acid. It stimulates the turnover of skin by exfoliating to regenerate healthy tissue."
—Dr. Paul Jarrod Frank
